Re: Ogden Street

Dear Resident:

The Village of Penn Yan went out to bid to rebuild Ogden Street following the water main project this fall and storm sewer improvement work. This is part of the Village's ongoing efforts to revitalize Ogden Street.

The project is scheduled to begin on April 9th*. During this time the road will be open to local traffic only. Please use caution when traveling through the area. Every effort will be made to maintain access to residential properties during the project. However, there may be brief periods where access is restricted.

We will post updates regarding the project to the Village of Penn Yan Department of Public Works Facebook Page and the Website. Should you have any questions, please call Melissa Gerhardt or Brett McMichael at 315-279-6535. We appreciate your patience and understanding during this time.

*These are estimated timeframes and are subject to change.

Sincerely,

Melissa Gerhardt
Director of Public Works
