At 6:00 PM, Mayor MacKerchar called the Village Board meeting to order.

Mayor MacKerchar -Welcome let's get started have a few things to go over. Sadly, it was announced today we now have 16 positive COVID-19 cases in Yates County and the 1st COVID related death has occurred. Our thoughts and prayers go out to the family and friends of that individual. Now more than ever we need to do what we can to slow the spread. Want to commend each and every employee in the Village dealing with this crisis in a very positive and productive manner can't say enough about that. Enough about that and I want to recognize the people in Penn Yan for doing all they can do to help protect one another the youth in the Community there handling this well, study at home and social limitations there delay with in a very mature and responsible manner. This a lesson we can take from them.

Mayor – if you're hear for the Budget Hearing, we have a Special meeting scheduled for next Monday at 5:00 PM.

Gary – that's correct

Mayor- that will also be zoomed it will be available on the Web Page.

Mayor-We also had schedule two Public Hearings tonight they have been rescheduled with the remote meetings and open meeting laws there is a different requirement, so instead of a five-day notification we have 10-day notification so we rescheduled the Budget. So, the first order of business we have tonight would-be Resolution No 29-2020 Rescheduling and renoting Public Hearings on local laws there is a Resolution that is in your package.

Trustee McLoud- I'll request to make that Motion for Resolution No 29-2020, Trustee Condella seconded.

Mayor - Motion by Kevin McLoud second by Dan Condella each of our votes tonight will be a roll call.

Mayor-so I will commence that:

Mayor - I will obtain a

Trustee Spencer - Motion to approve

Mayor- Motion by Mr. Spencer seconded by Mr. Stewart any discussion or addition or corrections if not a roll call.

Mayor Roll Call

Mr. Spencer yes Mr. Condella yes Mrs. Benedict yes
Mr. McLoud yes Mr. Stewart yes Dr. Hoban yes

Motion carried

Mayor - at this time we have Public Request and comments- if any please identify yourself.

Bill Wigsten - Mr. Mayor Bill Wigsten -yes Mr. Wigsten. Bill- I have been asked by the Union Members of the Village employees who to come and read you a letter if now is the appropriate time I will read that letter and we'll be over and done with it. Mayor you may do so if you wish yes-ok.

Bill Wigsten - Mr. Mayor and Village Board members. I have been asked by the village union employees to again come and speak to you about our contract negotiations. Despite multiple attempts by the union to get the village to come to the bargaining table to begin negotiations on February 1st as agreed to in our existing contract. The Village as failed to make any attempt to even acknowledge our request to begin negotiations. I do want to correct that statement because this morning I did receive an e-mail from Mrs. Benedict about

getting negotiations that said we will continue. Last month when I spoke to you, I informed you that due to the current COVID-19 crisis the union employees had authorized me to suspend my efforts to get the village to begin contract negotiations until April Village Board meeting.

We are now going on 12 weeks since contract negotiations should have begun with only 5 to 6 weeks until our current contract expires. And I must tell you that all the village employees are feeling a little unappreciated and slightly disrespected due to the lack of progress on the new contract. We all acknowledge that since the first weeks in March when the COVID-19 crisis became a local issue the village has done an outstanding job of looking out for our health and safety. But with June 1st being only 41 days away now is the time to show all village employees how important they are to this village and how much the entire village appreciates them coming to work and keeping everything running smoothly in the face of this crisis.

With the COVID-19 crisis still being an ongoing issue, the village union employees have asked me to offer the village a 1-year extension of the existing contract. We would also request that they pay raise the village has already agreed to with the village Police Department be offered to all village employed for the next year. Should the village choose not to accept our offer of a 1-year extension we asked that contract negotiations begin immediately. Bill – that’s the letter I appreciate letting you’ll come in and read that and express how the union feels.

Mayor -Thank you Bill I want to we do appreciate the employees and what they’re doing. I really want to make the perfectly clear we all – we all really appreciate what you’re doing. I’m going to refer this to our contract committee for their recommendation and our next board meeting, there should be some communication between your two groups between then and now. I thank you all and we will deal with this during the days ahead. Thank you.

Mayor – Mr. Brockman we have a Resolution on here under your category. I’ll turn it over to you.

Atty. Brockman -We had put out for bid a seal bid the sale of 25 Champlin Ave. and we started the process before the total shut down shall we say and because of these circumstances we felt perhaps the sale should be reannounced and start from scratch. You have a Resolution in from to you which would direct reject any and all bids received for the purchase of 25 Champlin Ave. and that Resolution also indicates the matter with the republished for bidding. Not only by sealed bid also by fax (facsimile) submission of bid and e-mail submission of bid and that would be scheduled at the May 19th meeting for opening. Bid according to sale to have expire that pursuant with the Resolution the deadline for submission of new bids would be May 15th at noon. That would be the Friday before hand, also attached to the Resolution is a new notice of sale and also a new term of sale. One change we made in the Term of Sale is that anyone who Bid on the property and was awarded the sale would have to stabilized the foundation to the building within six months and would have 24 months from transfer of title to complete the rehab. And the reason is that is that under the circumstance it made be difficult to get going on it and any rehab of the property and construction folks were busy enough before the health crisis there going to be even busier afterwards. So, we thought the 24 months would be more appropriate timing the completion of rehab would be when our Code Enforcer Officer affirms the premises comply with all applicable provisions of the fire prevention and Building Code of the Village of Penn Yan. I’m proposing at the, this time we published the Notice of Sale we published the Terms of Sale with it so the folks who are bidding can see it in the paper rather them trying to get ahold at the clerk’s office so even though these folks are working there you just can’t walk in there and ask for something but in any event the board feels appropriate a Motion to adopt the Resolution would be the way to proceed at this junction.

Trustee Condella - I’ll make the Motion

Trustee Benedict – Seconded to authorize Resolution No 30-2020.

WHEREAS, the premises owned by the Village of Penn Yan at 25 Champlin Avenue, Penn Yan, N.Y. has previously been declared to be surplus real property and has been directed to be sold at auction by sealed bid; and

WHEREAS, the Board of Trustees previously addressed SEQRA issues related to this action; and

WHEREAS, advertisement for sealed bids was undertaken by the Village Mayor pursuant to Resolution duly adopted by the Board of Trustees and Notice of Sale published and posted with an award of the sale scheduled for April 9, 2020 at 10:00 A.M.; and

WHEREAS, during the period of advertisement of the Notice of Sale a national health emergency was declared in the United States, resulting in interruption of much employment and requirements that people shelter in place to decrease the possibility of contagion of the COVID-19 disease; and

WHEREAS, it appears that rejection of any and all bids received is prudent under the circumstances and re-advertisement of the sale with a new date for awarding of the sale being set; and

WHEREAS, the previous Notice of Sale provided that the Board of Trustees reserved the right to reject all bids.

NOW THEREFORE BE IT RESOLVED, THAT

1. The award of sale by sealed bid set for April 9, 2020 is cancelled, all bids received are rejected and notice

thereof be made to any bidders.

2. A new date be set for award of the sale to take place at the Board of Trustees meeting on May 19, 2020 at 6:00 p.m., with the sale to be awarded to the highest responsible bidder who complies with the Notice of Sale and Terms of Sale.

3. That deadline for submission of bids is hereby set as May 15, 2020 at 12:00 P.M. (noon). That bids may be submitted by written sealed bids or electronically by facsimile transmission or e-mail.

4. That the Notice of Sale and Terms of Sale affixed hereto are approved and ratified.

5. The Mayor and Village Clerk/Treasurer shall effectuate the advertisement of the Notice of Sale and Terms of Sale, as well as the receipt of bids.

Mayor – Motion made by Mr. Condella, and I believe seconded by Mrs. Benedict. **Mayor**- Any discussion **Trustee Spencer**- Did we get any bids on this first round or are we doing this because we received no bids.

Atty. Brockman – There was one bid and I believe was someone correct me if I am wrong. I believe it was from the Theater folks I'm not sure if they knew what the terms of sale were at that time, as far as rehabing the structure and what the deadlines were. I believe that was the only one that came in. I know there is someone else out there who is interested in the property to rehab it.

Mayor – Actual it was an incomplete bid because they didn't have the require acknowledgment of the terms is that correct.

Atty. – Okay alright.

Mayor- Any other discussion.

Mayor We would like it broadly distribute this but everybody that would be interested is in the no.

Atty. - At least twice we should put it in the paper.
